

## TOK essays examiner's comments

Mark awarded	1
Marks available	10

### Example J

This is a rudimentary essay. There are only the weakest links to the AOKs, and there are many unsubstantiated and irrelevant claims. The examples are not effective. The points made are descriptive rather than analytical and are frequently vague and general. Many of the points are unclear and the arguments are not coherent; for example, the conclusion refers to ideas not discussed in the rest of the essay.
